Contego Cyber Solutions is a Division of Quantech Services, Inc.; a professional integrated Cyber Security Division providing superior products and services focused on end-to-end systems security. Contego provides a wide array of technical and support capabilities to the Department of Defense (DoD), Federal Agencies and commercial organizations.

Your Full-Lifecycle FedRAMPSM 3PAO:

We support all three Authorization paths:

- ◆ FedRAMPSM Ready
- ◆ Agency Authorization
- ◆ JAB Provisional Authorization
- ◇ **We understand the complexities** of leveraging existing Authorizations and quickly identify gaps in leveraged implementations.
- ◇ **Our cybersecurity experts** quickly analyze your monthly scanning results and notify you of any concerns.
- ◇ **We have in-house penetration testing experts** to meet your initial and annual requirements.
- ◇ **Re-authorization is streamlined** because we maintain comprehensive annual control validation and continuous monitoring records that demonstrate the ongoing security posture of your system.

Why Contego/Quantech?

- ◆ Accredited FedRAMPSM 3PAO
- ◆ A2LA-Accredited ISO 17020 Inspection Body
- ◆ A2LA-Accredited ISO 17025 IT Laboratory
- ◆ Prior experience as AFSPC Agent of the Certifying Authority
- ◆ Successfully obtained and maintained over 40 system Authorizations across DoD and Federal systems!

Our Approach:

- ◆ Our FedRAMPSM ready team uses industry-standard tools to protect your cloud environment. We can work with any toolset that you prefer because we believe success comes from the intelligent application of those tools, and not from the tool itself. Our cybersecurity experts rely on full-scope pre-testing of tools and methods in our in-house cyber range, so your environment is safe from configuration mistakes that could negatively impact your operations.

FedRAMPSM 3PAO — We're committed to obtaining an Authorization for your System.

Contego/Quantech is your go-to team for FedRAMPSM 3PAO services. With 10 years of experience in the FISMA arena, and an award-winning assessment team, we ensure that your system is accurately assessed and fairly represented to the FedRAMPSM Program Management Office. We understand that FedRAMPSM Authorization is a big investment and we are focused on keeping the price down and shortening the timeline as much as possible to get you in and out of the FedRAMPSM queue.
